STATE DEPARTMENT FEDERAL CREDIT UNION EXTENDS CONVENIENCE WITH A NEW SHARED BRANCH LOCATION

Headquarters – State Department Federal Credit Union (SDFCU) is now offering shared branching services at its Federal Center location.

As an outlet, this SDFCU location will be able to perform transactions for any credit union member whose account is held at one of thousands of credit unions across the country that participate in the Credit Union Center network. Locations of participating outlets can be found at www.creditunion.net.

The addition of our SDFCU Federal Center Branch into this network brings the total to 6 unrestricted access Washington DC locations where members of participating credit unions can transact business. Participating locations are identified by the “swirl” logo.

“We are so pleased to add yet another SDFCU branch location to the Shared Branching Service. The outlet program creates a wonderful win-win situation for everyone involved. Now we can offer more Credit Union members our high standard of consistent, quality service at this location,” stated Jan Roche, CEO of SDFCU.

This location adds to the Alexandria and Arlington SDFCU branches that are already involved in this network. You can search for these network branches and other ATM’s at www.sdfcu.org through the locator search service.

As a member-owned, not-for-profit financial cooperative, State Department Federal Credit Union remains committed to serving it’s members since 1935. With over 950 million in assets and 67,000 members, SDFCU offers a full range of financial products and services that address the diverse economic and social make-up of its members.
