State Department Federal Credit Union Helps Raise Funds for WETA

Arlington, VA, August 8, 2005: Ten volunteers from State Department Federal Credit Union answered telephones for WETA's pledge drive. Volunteers appeared live, on-air answering incoming pledge calls during the television membership drive.

The SDFCU volunteers helped WETA raise \$26,155 in membership pledges that night. Annie Sugar, Manager of Volunteer Services at WETA said, "It was our most successful live night of the drive. We couldn't have done it without your employees' help."

Volunteering for the membership drives is a fun way for a business, service organization, club or community group to get together, gain a bit of publicity and help out a good cause. Participating groups are recognized on-air during the drive and in WETA's volunteer newsletter.

State Department Federal Credit Union serves employees of the State Department worldwide. The Credit Union also serves National Credit Union Administration employees. SDFCU has assets exceeding \$800 million with more than 63,000 members. See our website at www.sdfcu.org for more information.
